

In the spirit of the Appalachian Service Project program, we would like to announce our upcoming food drive.

Many families here in our own area are in need. Together we can help make a difference for our neighbors.

Let's Do This!

A group of ASP participants will be collecting non-perishables on the following Sunday's:

**Dec. 6, 13, & 20, 2020
10AM - 12 Noon**

***Just drive in the parking lot (around the back of the Church,) pop your trunk, and we will remove the donations.**

Your donations will in turn be distributed to area pantries.
